RE: • Docket 2007-3-E; Duke Energy Carolinas, LLC (“Duke Energy Carolinas”) Annual Review of Base Rates For Fuel Cost.
 • **Request to administratively revise Notice of Hearing and Prefiling letter**

Dear Ms. Boyd:

Please reference your staff’s April 25, 2007 Notice of Hearing and Prefiling letter, issued in the above denominated docket.

Compliance with the date requirements of the present Prefiling letter causes concerns for Duke Energy Carolinas. Specifically, the current initial filing date of July 12, 2007 would require Duke Energy Carolinas to use estimated data for the last month of the test year, with a true up of the estimated data required.

Accordingly, Duke Energy Carolinas, through counsel, requests that the Prefiling letter issued in this docket, be administratively revised to reflect a July 26, 2007 initial filing date. Other filing dates should be adjusted accordingly.

No party will be prejudiced by this request and the previously scheduled hearing date will not be affected. You may recall that this was a concern in last year's Docket and it was resolved by administrative action.

Respectfully Submitted,
